Grading Breakdown

10%	Classwork
5%	Homework
10%	Projects
75%	Tests & Quizzes

This is an estimated breakdown, weighting will only be used for end of semester exams.

DAILY ROUTINE

1. Come into class and be seated before the bell rings
2. On your desk have homework ready to be checked and start warm-up in spiral notebook
3. Classroom leaders will then collect / check in work
4. Review any questions from previous nights homework
5. Intro to new material
6. Practice of new material
7. Start homework/Review new material

School: Westbrook Christian

Teacher: Mrs. Miller

Room: 51

Email: mmiller@westbrookchristian.org

WHAT YOU NEED TO SUCCEED

1. 3-Ring Binder
2. Scientific Calculator (TI-30X IIS)
3. College Ruled Paper & Pencils

Absent?

- Check with other students/teacher to see what you've missed
- Absent on the test day: Make an appointment to make up the missed test ASAP
- If you miss the day BEFORE the test or quiz (review day), then you are expected to take the test or quiz on the date that it was scheduled unless you contact me.

Class Rules:

The classroom is a place for teaching and learning to take place. Learning is a two way street

1. Being Late: Please be respectful and make it on time.
2. Talking during class: When I'm explaining new concepts, going over homework problems, or answering questions I expect everyone to listen. You should also respect your classmates. Notify a teacher if you are not being respected.
3. Positive Attitude: be honest and proactive about getting help.
4. Bring your stuff: books, binder/notebook, pencil, calculator....
5. Label your work: according to project, homework, classwork, date, section. No name = 0 points

CHEATING POLICY

There is **NO** tolerance with cheating. The student will automatically receive a zero for the assignment.

Instructor goals, strategies for student success, course calendar, and more can be found on the course webpage by scanning the QR-code above or via this URL:
