

Environmental Science

Items needed for class:

Notebook with pockets (pockets are for handouts)

Paper for notebook to take notes

Pencils or pens (blue or black ink only)

Grading:

Chapter tests are given when the chapter is completed. Each test is a 100 points test. The tests usually consist of 25 questions except for the comprehensive final exam.

Special assignments are given during the semester and will be graded.

A final exam will be given at the end of the semester.
