

Google Classroom Directions for Parents

1. Using your internet browser (Google Chrome will work best for this), go to classroom.google.com. You may be directed to log into an account instead of reaching the classroom screen. If you reach the screen, skip to STEP 3.

2. You **must be logged in to your child's school account** in order to access any Google Classroom. Click "Sign in" in the top right hand corner if you are not already signed in.

3. Once you are logged in to your child's classroom account, your Google page will have an electronic "post-it" for each class that they are enrolled in. If you need to be added to the class, your child's teacher will be able to provide the class code.
